## Marianne Paulson

### What I accomplished since my last stand-up:

I spent time on process issues (how to commit to a issue branch, how to use standbot, etc.). I also started on the turtle dance and commit to feature branch. Finally I discussed and reviewed Chirag's changes

### What I am working on today:

I am continuing to work on the turtle dance and since I am the Scrum Master this week (we take turns) I am also facilitating the team to make things go smoothly, clear obstacles, etc.

## Saumil N Patel

### What I accomplished since my last stand-up:

I have created a new issue of implementing difficulty level (i.e. Low, Medium, High) on startup screen. I am currently working on this new issue.

### What I am working on today:

I am currently gathering requirements on how to implement the level complexity feature in the game.

## Chirag Arora

### What I accomplished since my last stand-up:

Participated in wire frames and design of the game. Implemented the initial framework of different worlds.

### What I am working on today:

Will be working on observer pattern

## Anjali Deshmukh

### What I accomplished since my last stand-up:

Started Technical story for composite design pattern (Turtle and shield)  
Working on Story about a feature in the game. The shield given to turtle and what happens when snake hits the shield

### What I am working on today:

Will continue working on the feature to
