GENERAL STATUS   ⌃

Marianne Paulson

What I accomplished since my last stand-up:

> The team met for about an hour today to discuss the backlog, wow factor, and status. I finetuned out usecase diagram.

What I am working on today:

> Looking into wow factor and polishing up documentation + review code and refactor

Megha

What I accomplished since my last stand-up:

> Research on implementing greenfoot code on cloud as a java application

What I am working on today:

> Continue looking for a way to implement a cloud application using greenfoot

Chirag Arora

What I accomplished since my last stand-up:

Reported on android app for wow.

What I am working on today:

Worked on use case scenarios. , Uml diagrams.

Saumil N Patel

What I accomplished since my last stand-up:

The issue on turtle world object of not resetting on reset in greenfoot has been resolved.

What I am working on today:

I am going to work on creating a snake dynamically when snake gets killed and it will be based the requirement of difficulty level.

Anjali Deshmukh

What I accomplished since my last stand-up:

Had a discussion with team regarding overall status of the project. Decided on tasks to be completed

What I am working on today:

Will be working on documentation of turtle game features
